PROPERTY DESCRIPTION:

GULF VIEW HOME ON INDIAN PASS

Welcome to Beachy Keen, our home on Indian Pass. We wanted to share a few of our favorite activities:

We love the Indian Pass beach for walking our dog and collecting shells and driftwood.

There is a private pool which is part of our subdivision for your use. Its entrance is about 100 yards away, to your right and across the street. We mostly just enjoy sitting on the porch relaxing and enjoying the solitude. Watching the sun go down from the third floor party deck is quite a treat as is "stargazing" on cloudless nights!

There is a lot of wildlife on The Pass so enjoy!

The Mystic Palms subdivision, of which Beachy Keen is a part, has a nice sized fresh water swimming pool located across the road from the main entrance to the subdivision. From the pool there is a nice boardwalk over the dunes to the beach area.

We often take our dog to the beach and let him run free and play in the surf. We encourage responsible pet owners to clean up the beach after their dog and do not let the dog pester fishermen and beach goers.

You are welcome to explore the Mystic Palms subdivision. There is only one home inside the gated area (Beachy Keen and two others face the road). Early morning/evening walks on subdivision roads are safe and our dog enjoys the "new smells."

You may like to make a longer walk by going to the beach, crossing over the boardwalk, then turn left and walk to the campground where you can then return back on the paved road that runs through the center of The Pass.

The Pass is in Gulf County, which requires a permit affixed on the windshield to drive on any beach. You have to purchase the permit at the County Offices located on Highway 71 to the North of PSJ.

If you make a campfire on the beach, please clean up all charcoal and remnants the next day so as to not spoil the beach's appearance.
